Family Support Division

The Family Support Division offers the following programs: food stamps/SNAP, health care, temporary assistance and child care.

The food stamp/SNAP program helps low-income individuals purchase food; those participants receiving food stamp benefits can receive support through the SkillUp Program which provides participants opportunities to increase employment and training levels through vocational training opportunities and provides job-focused employment and training services;

The MO HealthNet program and can assist with covering qualified health care expenses for people with disabilities, blind & visually impaired, seniors, pregnant women & newborns, uninsured women, families, children and women with breast or cervical cancer;

The Temporary Assistance for Needy Families (TA) provides cash benefits for low-income families to care for their children. With the TA program participants 18 or older and teen parents also receive help through the Missouri Work Assistance Program (MWA) which can assist participants in employment and training activities such as help with job and skills training, work experience, help with setting career goals, barrier removal, and assist with work transportation and work related expenses;

The child care program assists TA participants and children of low income families with child care expenses to allow the parent(s) to work or attend school or training programs.
